

# COVID-19

## Guidance for Correctional and Detention Facilities—Protect

Florida Department of Health • FloridaHealthCOVID19.gov

### Symptoms

The most common symptoms of COVID-19 are **fever, cough and shortness of breath**. Some patients have fatigue, muscle or body aches, headache, new loss of taste or smell, sore throat, congestion or runny nose, nausea or vomiting, and diarrhea.

These symptoms are usually mild and begin gradually. Some people become infected but don't develop any symptoms and don't feel unwell.

### Protect yourself from COVID-19 by using these precautions.

Avoid contact with people who are sick  
Try to keep at least 6 feet of distance  
between you and other people

Avoid touching your eyes, nose, or  
mouth with unwashed hands or  
after touching surfaces

Wash hands often with  
soap and water –  
20 seconds or longer

Dry hands with a clean  
towel or air dry your hands

Wear a mask

Cover your mouth with  
a tissue or sleeve when  
coughing or sneezing

Avoid sharing eating  
utensils, dishes, and cups
