## Laboratory testing for Florida residents and non-Florida residents over the past 2 weeks

### Number and percent of positive labs

These counts include the number of people for whom the department received laboratory results by day. This percent is the number of people who test positive for the first time divided by all the people tested that day, excluding people who have previously tested positive.

## Emergency department (ED) and freestanding ED (FSED) chief complaint and admission data for Washington County

The Electronic Surveillance System for the Early Notification of Community-Based Epidemics (ESSENCE-FL) includes chief complaint data from 211 of 212 Florida EDs and 74 of 79 Florida FSEDs. Data are transmitted electronically to ESSENCE-FL daily or hourly.
