Date

Percent positivity for new cases

These counts include the number of people for whom the department received PCR or antigen laboratory results by day. This percent is the number of people who test positive for the first time divided by all the people tested that day, excluding people who have previously tested positive.

The Electronic Surveillance System for the Early Notification of Community-Based Epidemics (ESSENCE-FL) includes chief complaint data from 211 of 212 Florida EDs and 77 of 80 Florida FSEDs. Data are transmitted electronically to ESSENCE-FL daily or hourly.
