Data in this report is provisional and subject to change. The information contained in this report reflects the current available information for nursing homes and assisted living facilities that have had a death that can be linked to the facility. The information was reported to the Department's epidemiological data collection system through the Department's contact tracing efforts for positive COVID-19 cases. This report will be updated on a weekly basis.

efforts for positive COVID-19 cases. This report will be updated on a weekly	·
