COVID-19: deaths in cases associated with long-term care facilities

Data through May 20, 2021 verified as of May 21, 2021 at 09:25 AM

Data in this report are provisional and subject to change.

This report includes deaths in cases in Florida residents who lived or worked in an LTCF in the 14 days prior to onset or while infectious. Deaths are counted based on the county of the first facility associated with a case, which may or may not be the facility where the infection occurred. This report will be posted on the Florida Health COVID-19 website (<https://floridahealthcovid19.gov>) on a weekly basis.
