

COVID-19: Florida vaccine summary

Vaccination data through Feb 28, 2021 as of Mar 1, 2021 at 12:05 AM

Data in this report are provisional and subject to change. Data are based on county of residence.

Data in this summary pertain to COVID-19 vaccines approved by the U.S. Food and Drug Administration and have been issued an Emergency Use Authorization. These data summarize the number of people who have received either their first dose or have completed the series for a COVID-19 vaccine. **A person can only be counted in one category, first dose or series complete. After individuals receive their second dose, they are moved from the first dose column to the series completed column. Because of this, the total first dose category may show a change from report to report not matching the total receiving their first dose from the previous day.**

COVID-19: Collier County vaccine summary

Vaccination data through Feb 28, 2021 as of Mar 1, 2021 at 12:05 AM

Data in this report are provisional and subject to change. Data are based on county of residence.

Data in this summary pertain to COVID-19 vaccines approved by the U.S. Food and Drug Administration and have been issued an Emergency Use Authorization. These data summarize the number of people who have received either their first dose or have completed the series for a COVID-19 vaccine. **A person can only be counted in one category, first dose or series complete. After individuals receive their second dose, they are moved from the first dose column to the series completed column. Because of this, the total first dose category may show a change from report to report not matching the total receiving their first dose from the previous day.**

COVID-19: Glades County vaccine summary

Vaccination data through Feb 28, 2021 as of Mar 1, 2021 at 12:05 AM

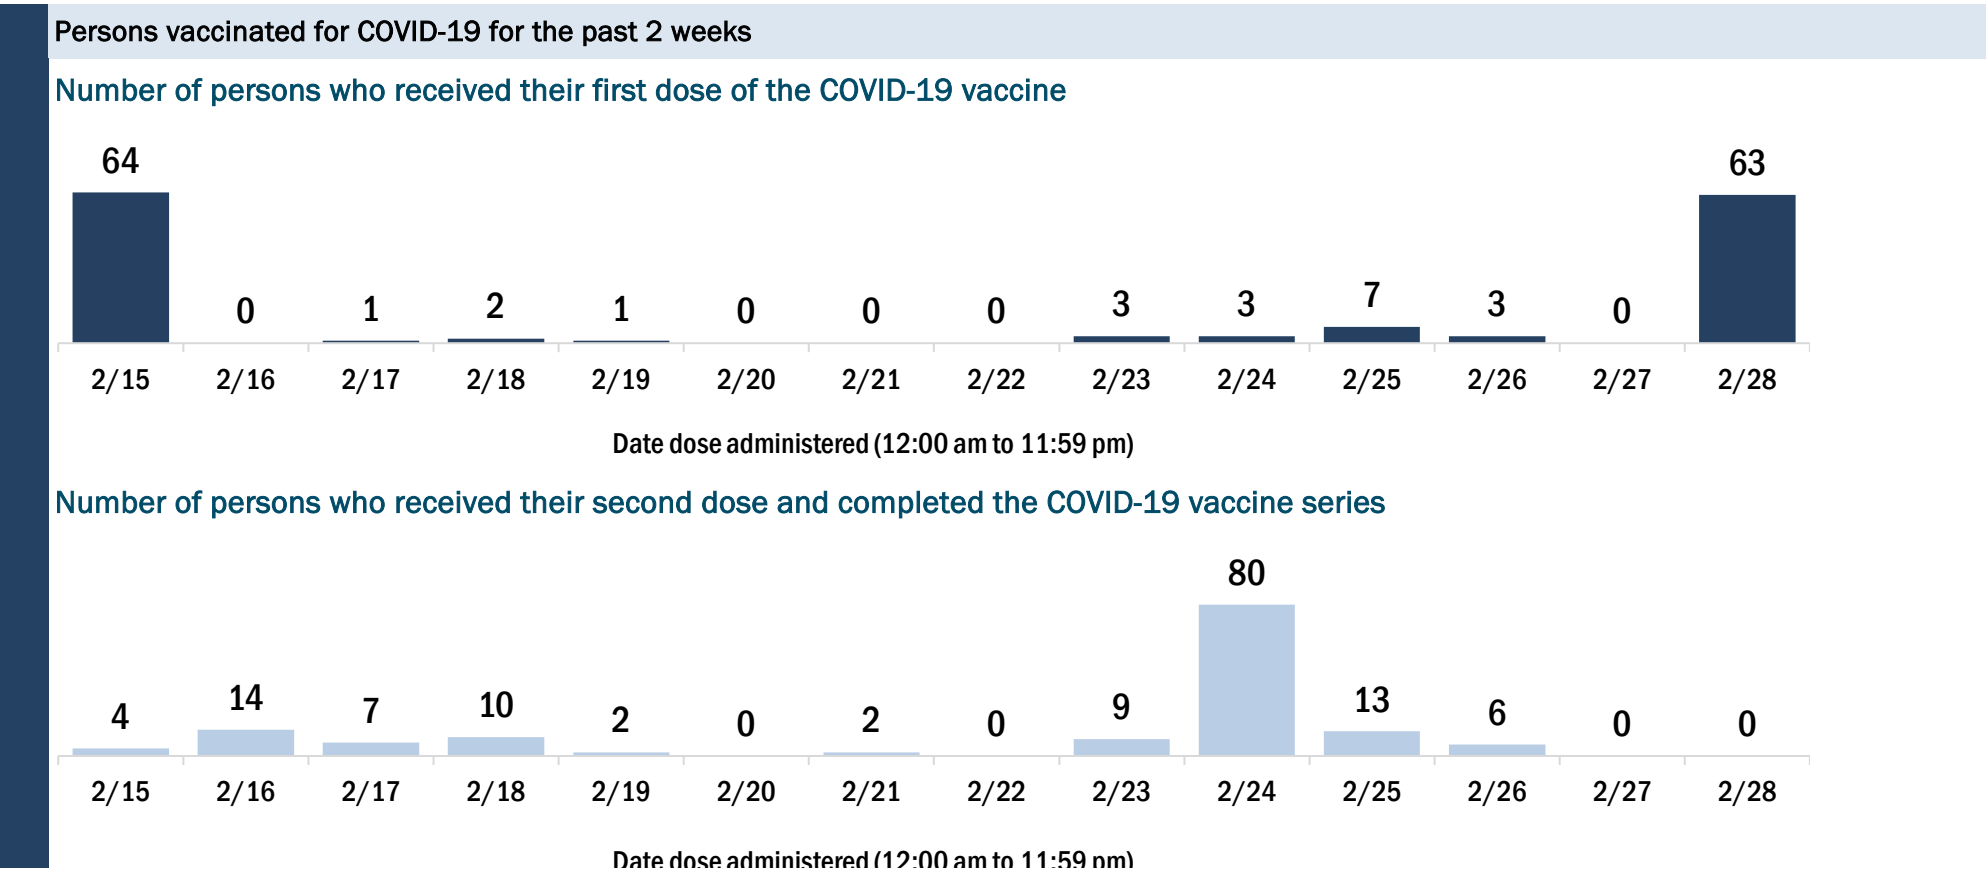

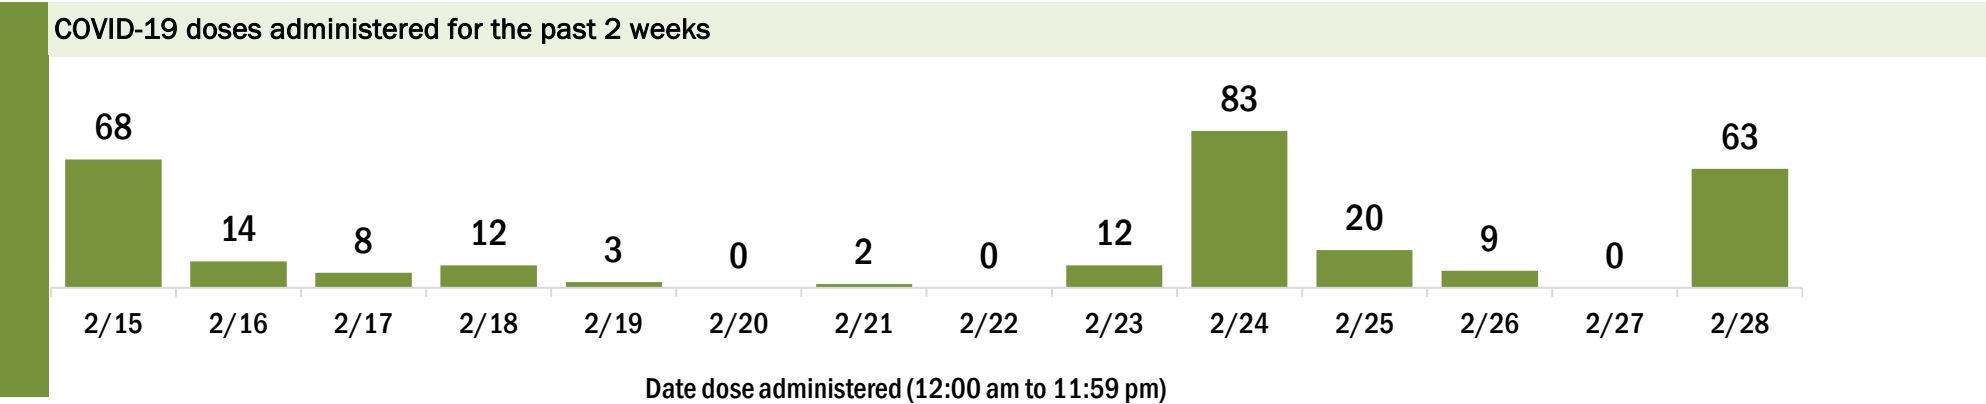

Data in this report are provisional and subject to change. Data are based on county of residence.

Data in this summary pertain to COVID-19 vaccines approved by the U.S. Food and Drug Administration and have been issued an Emergency Use Authorization. These data summarize the number of people who have received either their first dose or have completed the series for a COVID-19 vaccine. **A person can only be counted in one category, first dose or series complete. After individuals receive their second dose, they are moved from the first dose column to the series completed column. Because of this, the total first dose category may show a change from report to report not matching the total receiving their first dose from the previous day.**

COVID-19 doses administered in Florida	
Doses administered	1,714
Total number of doses of the COVID-19 vaccine that have been administered in Florida.	

Current status of persons vaccinated for COVID-19 in Florida	
Total people vaccinated	1,130
First dose	546
Series completed	584
First dose: current number of people who have only received their first dose of the COVID-19 vaccine.	
Series complete: current number of people who have received all recommended doses of the COVID-19 vaccine to be considered fully immunized.

COVID-19: Jefferson County vaccine summary

Vaccination data through Feb 28, 2021 as of Mar 1, 2021 at 12:05 AM

Data in this report are provisional and subject to change. Data are based on county of residence.

Data in this summary pertain to COVID-19 vaccines approved by the U.S. Food and Drug Administration and have been issued an Emergency Use Authorization. These data summarize the number of people who have received either their first dose or have completed the series for a COVID-19 vaccine. **A person can only be counted in one category, first dose or series complete. After individuals receive their second dose, they are moved from the first dose column to the series completed column. Because of this, the total first dose category may show a change from report to report not matching the total receiving their first dose from the previous day.**

Data in this summary pertain to COVID-19 vaccines approved by the U.S. Food and Drug Administration and have been issued an Emergency Use Authorization. These data summarize the number of people who have received either their first dose or have completed the series for a COVID-19 vaccine. **A person can only be counted in one category, first dose or series complete. After individuals receive their second dose, they are moved from the first dose column to the series completed column. Because of this, the total first dose category may show a change from report to report not matching the total receiving their first dose from the previous day.**

COVID-19 doses administered in Florida	
Doses administered	52,398
Total number of doses of the COVID-19 vaccine that have been administered in Florida.	
Current status of persons vaccinated for COVID-19 in Florida	
Total people vaccinated	34,263
First dose	16,128
Series completed	18,135
First dose: current number of people who have only received their first dose of the COVID-19 vaccine.	
Series complete: current number of people who have received all recommended doses of the COVID-19 vaccine to be considered fully immunized.

COVID-19: Polk County vaccine summary

Vaccination data through Feb 28, 2021 as of Mar 1, 2021 at 12:05 AM

Data in this report are provisional and subject to change. Data are based on county of residence.

Data in this summary pertain to COVID-19 vaccines approved by the U.S. Food and Drug Administration and have been issued an Emergency Use Authorization. These data summarize the number of people who have received either their first dose or have completed the series for a COVID-19 vaccine. **A person can only be counted in one category, first dose or series complete. After individuals receive their second dose, they are moved from the first dose column to the series completed column. Because of this, the total first dose category may show a change from report to report not matching the total receiving their first dose from the previous day.**

COVID-19: Union County vaccine summary

Vaccination data through Feb 28, 2021 as of Mar 1, 2021 at 12:05 AM

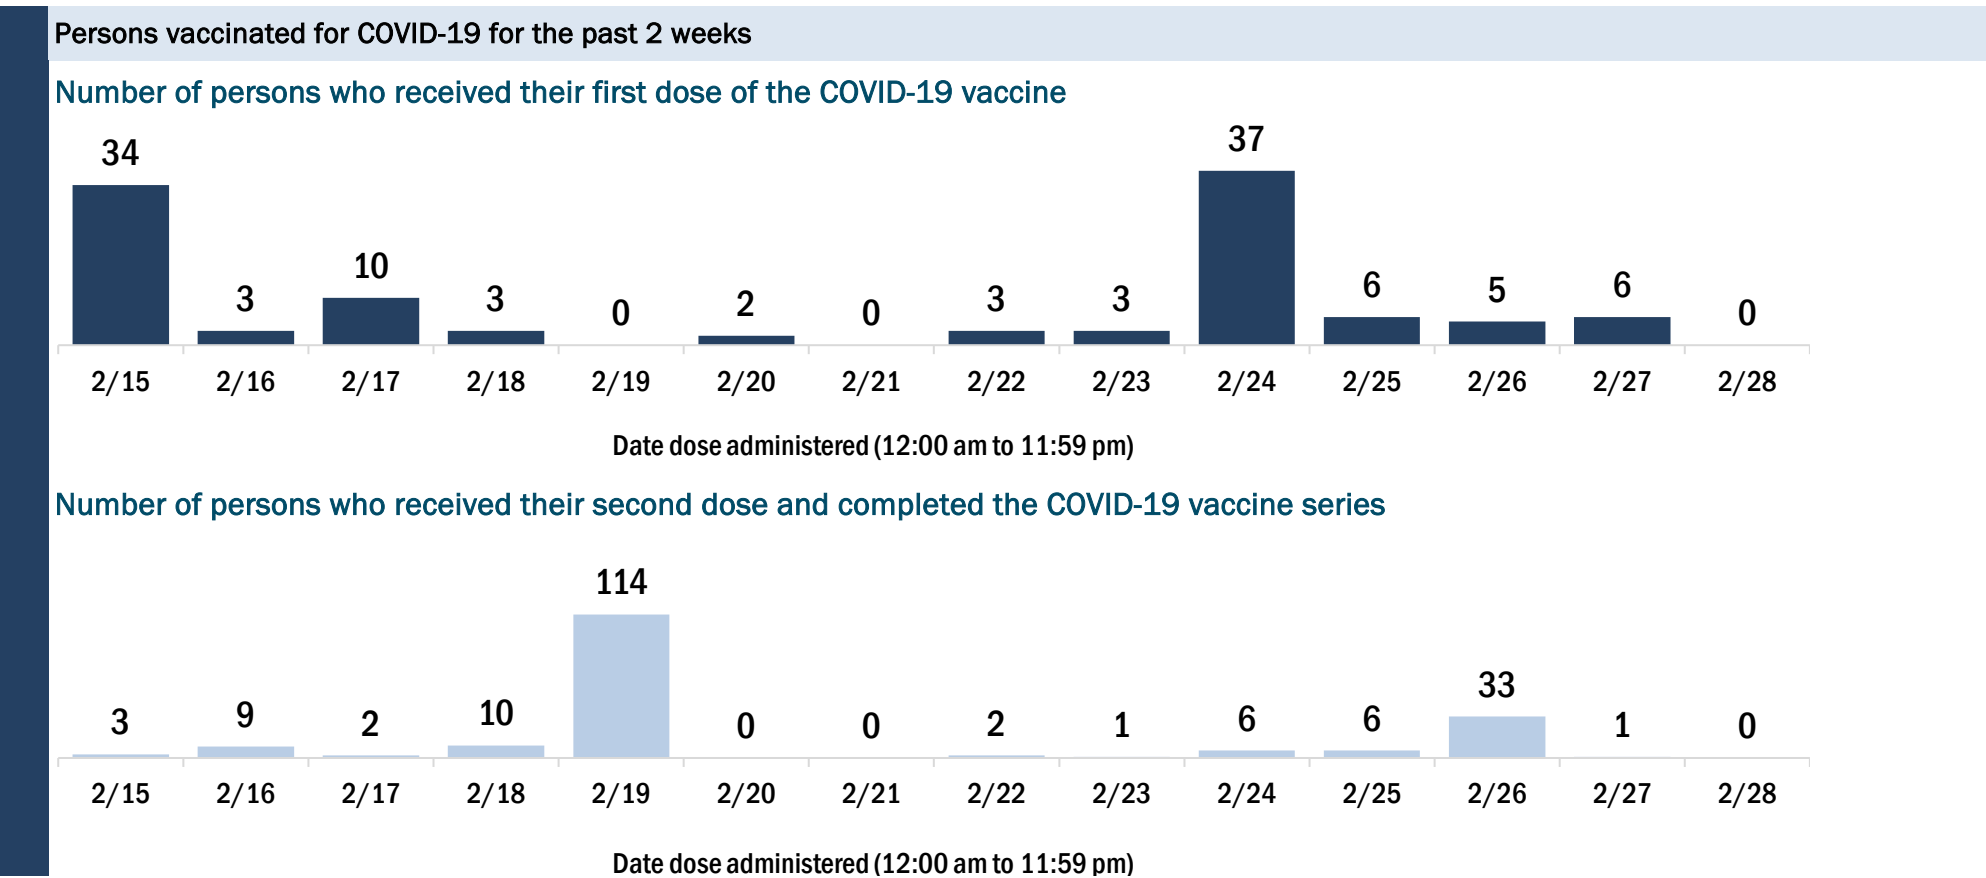

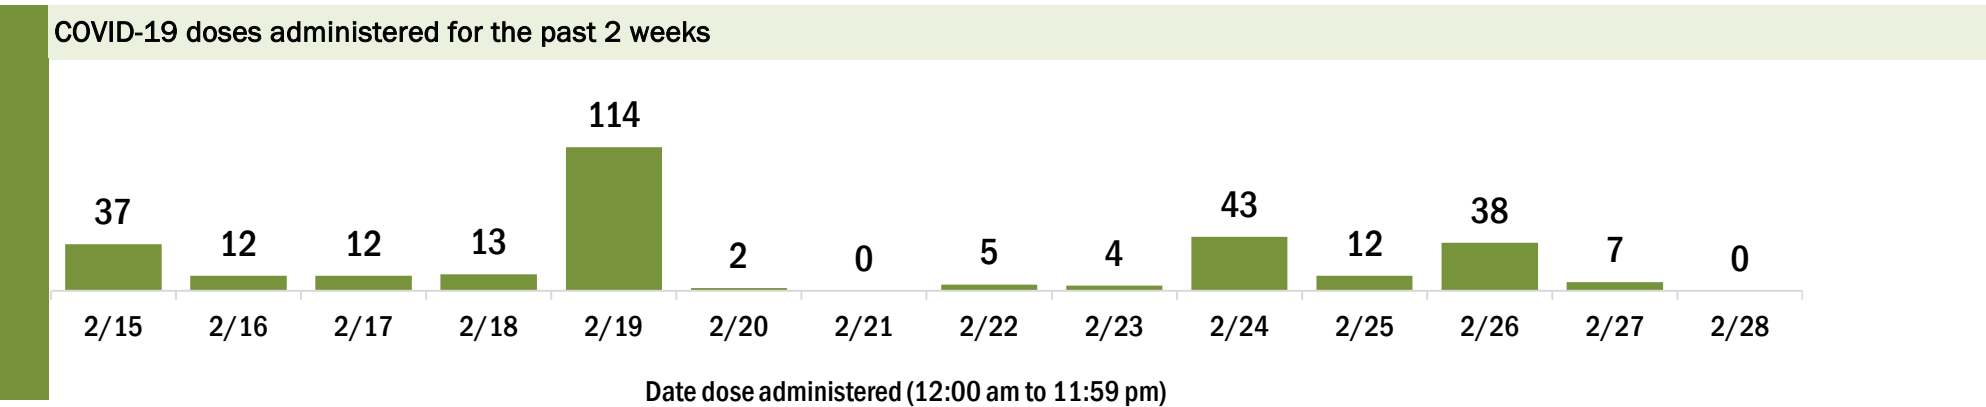

Data in this report are provisional and subject to change. Data are based on county of residence.

Data in this summary pertain to COVID-19 vaccines approved by the U.S. Food and Drug Administration and have been issued an Emergency Use Authorization. These data summarize the number of people who have received either their first dose or have completed the series for a COVID-19 vaccine. **A person can only be counted in one category, first dose or series complete. After individuals receive their second dose, they are moved from the first dose column to the series completed column. Because of this, the total first dose category may show a change from report to report not matching the total receiving their first dose from the previous day.**

COVID-19 doses administered in Florida	
Doses administered	2,090
Total number of doses of the COVID-19 vaccine that have been administered in Florida.	

Current status of persons vaccinated for COVID-19 in Florida	
Total people vaccinated	1,250
