

caught the flu?

no school for you!

Your child may have the flu if:

They are coughing or sneezing, and suffering from a fever, headache, chills or body aches. And these symptoms came on suddenly.

The flu is most contagious early in the illness.

If you believe your child is coming down with the flu, have them stay home. Keep hands clean, and coughs and sneezes covered. Consider seeing the doctor.

Prevent the flu—get your children vaccinated.
