STOP
Mosquitoes
from taking
over summer!

Mosquitoes make more mosquitoes when they lay their eggs in water.

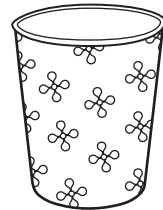

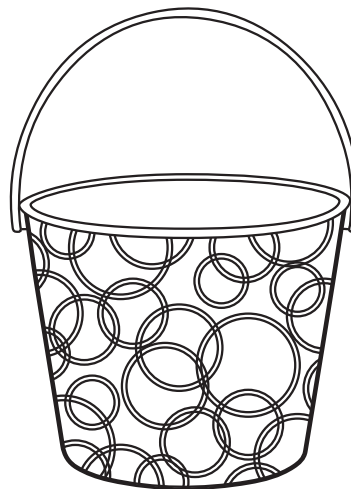

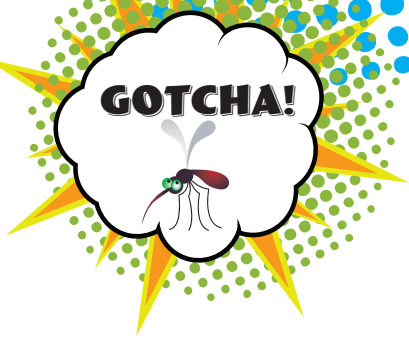

Heroes, this is your mission:

When you spot the things on this page in your yard, yell "gotcha" and spill the water!

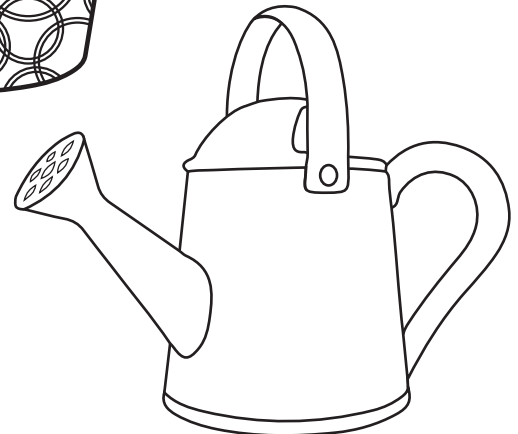

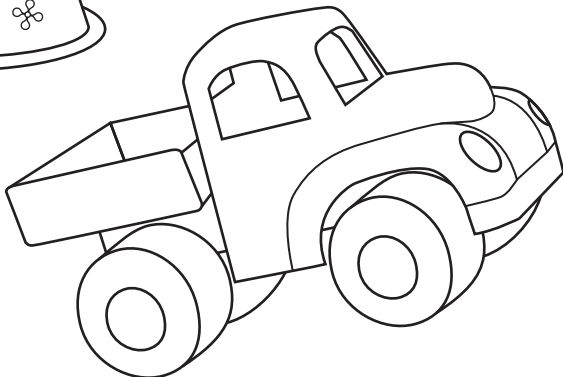

If you find a thing that holds water, but it's not on this page, yell "gotcha-cha" and spill the water!

The hero who has spilled the most water is the **Super-Duper Hero Supreme!**

GOTCHA!

A BOTTLE CAP!

DON'T BE A MOSQUITO SNACK!
Before you go outside, have a grown-up help you cover up with a hero costume and invisibility bug spray!

mosquito food vs. kid food

Mosquitoes snack on kids & grown-ups. That's why we cover our skin & spill water outside where mosquitoes lay eggs. Kids eat yummy food like Fresh From Florida fruits and vegetables!
